Olympic Centre Novo mesto

Get Ready –

Improve your performance with the best quality services in indoor sports in Adriatic Region

Dear Athletics Association, dear athletics club,

We would like to take the opportunity to introduce to you our Olympic Centre Velodrom Novo mesto in Slovenia.

The construction of the Olympic Centre made it possible for the organization of the indoor national athletic championships and in the circular hall they can have indoor training even during the cold winter months. National championships can be now held also in Slovenia and athletics enthusiasts can anticipate international competitions that are to be held in Novo mesto. A number of athletes who have tested the sports facilities and its athletic track, are excited about the centre and a good number of new records was established.

The Olympic Centre has all the technical facilities for perfect training, within the surrounding forest and close to the international airport Zagreb or Ljubljana. Several international athletics teams have already experienced all the facilities and environmental qualities of the Olympic Centre, where such athletes as Luka Janežič, Maja Mihalinec, Maruša Mišmaš, Klara Lukan ... have trained.
